DEAL MARITIME FOLK FESTIVAL

THURSDAY 16TH - SUNDAY 19TH SEPTEMBER

2010

This year's Maritime Folk Festival, against all odds is the most diverse and exciting yet. Having no funding has forced together an unlikely bunch of local musicians, promoters, venues and enthusiasts with the aim of putting a festival together on 'a shoestring'. As a result the festival is hosting a wide range of music from traditional folk to contemporary folk to world music and everything in between. Despite the lack of funding we have tried to keep as much as possible totally free so if you see a donation bucket - be it for the RNLI or to help the musicians you have just been enjoying get home, please give generously. We would like to thank everybody who has devoted time, care and attention to the festival, especially all the venues and musicians without which none of this would be possible.
